

## Recall of Promotional Knives (Style No. 51041019)

The locking mechanism in a small number of certain folding pocket knives (Style No. 51041019—see image, above) that were given away by 5.11 Tactical® retailers to their customers since September 2009 as promotional items might not properly engage when the knife is opened (see image, below). If the blade fails to lock into place and the consumer is unaware of this fact, there is a potential risk of injury. As of the date of this notice, we are not aware of any injuries to customers. Nonetheless, as a precautionary measure, we have initiated this recall of these knives.

**If you have received one of these knives, we ask that you stop using the knife immediately and take one of the following actions:**

- **Return your knife to your 5.11 Tactical dealer; or**
- **Call 5.11 Customer Support at (866) 451-1726 (M-F 6:30 a.m. to 5:00 p.m. PT) or go to our website at [www.511tactical.com](http://www.511tactical.com)**

You will then receive instructions regarding how to exchange your knife for a substitute promotional item at no charge to you.

**Post Until: June 30, 2010**
